**Activation of 331 User Codes for Abbott Precision P<sub>x</sub>P /FS Glucometer Operators**

This is to certify the following staff members who have completed an internal training for the operation of Connected POCT BGA Precision P<sub>x</sub>P conducted by a certified BGA link nurse. Please activate their 331 user codes (please note that normally it takes two weeks for activating the 331 user codes).

Please fill in ink. Any correction made should be crossed and signed.
